**Dee December 18th 2010**

*Victoria, I never really believed there was such a thing as a real psychic until a friend recommended you. I had phoned many other psychics and by the end and hundreds of pounds later I had just about enough of misguided information. I was determined not to give you any information ,I wanted to see if you passed the test. You told me exactly how I was feeling, what had happened and why. I was completely stunned and numb for days. The next test was to see if your predictions came true. To my amazement they did. Thank you for you and what you have given me and I intend to call you again.*

**Vanessa December 18th 2010**

*Victoria, it has taken me a while to fully absorb all that you told me during my reading and it has left me completely overwhelmed just how accurate you are. Not only did you reach so far into me and those around me but you told me of complete conversations I had made that day and who with. There is no way you could of known those details. I feel blessed to have had the experience that you gave me.*

*Victoria, your readings always inspire , comfort and re-iterate the positives. I am looking forward to the life you have predicted is coming my way.*

**Jennifer September 15 2010**

*I have been having readings with Victoria now since December 2009 and my first reading was absolutely amazing. It was as though she had been with me and knew what was going on around me with my life. Victoria did not ask me any questions and tuned in straight away and gave me the answers I was looking for, even though I never hinted at what I was searching for. I believe we must all have faith, and our spirit friends tell us the truth even though at the time it may not seem like that. Victoria passes messages on to us from spirit , and you need to believe what you are being told. Victoria has kept me feeling a lot calmer and better. Trust in Victoria and trust in spirit and you will not go wrong as how you sometimes see things may not be how they really are. Thank you Victoria, I am now looking forward and cannot wait for the final outcome.*

*A reading with Victoria is like talking to a down-to-earth friend who gives the most amazing advice! She is incredibly accurate, but always very sensitive to her client's feelings. As somebody who can be a first class worrier, given half the chance, I really appreciate both her clarity and her patience.*

**Mel July 14 2010**

*I have had several readings from other psychics and Victoria is by far the best. I have been having email readings from this kind, compassionate lady for quite a few months now. Her accuracy during that first reading instantly made me trust her. I have no hesitation whatsoever in contacting her for guidance for all major decisions in my life. Her readings are accurate and very truthful and to be honest very comforting. If it had not been for her I would of walked away from the situation that I am In. She gives me the strength and patience to hang in there and wait. Things are slowly unfolding in the way Victoria said they would. Please try this lady, you will not be disappointed.*

**Kim July 08 2010**

The last reading I had with you was spot on and future events you had mentioned happened as you said they would. I feel happier and more positive about things to come and I cannot wait to speak to you again for an update.*

**Claire May 06 2010**

*Hi Victoria, I just wanted to say a huge thank you for such an uplifting reading this evening (and every time I have spoken to you)! When I first picked up the phone tonight my whole world seemed to be crashing down around me and by the time I had finished speaking to you I felt 100 times better! You never fail to pin point the root of my problems without any prompting and help me to see my problems from a different angle. You help enormously to put my issues in perspective! You describe people in my life with such accuracy, you are a truly amazing and gifted lady!*

*I have had readings with you at least every four-six months for the last 3 years and the outcome you see for my life has always been the same you have never waivered, you are true to your word. You are such a caring and compassionate lady, I can't tell you what a pleasure it always is to speak to you and how much better you make me feel when perhaps the rest of my world isn't looking too rosy! I am very grateful to you and would like to encourage anyone who is thinking about having a reading to give this special lady a ring, trust me, you won't regret it!!!*

*Love 'n' light,*

**Astrologer Patrick Arundell April 27 2010**

*Thank you for your reading on Thursday I found it most interesting.*

*I thought I would just say I find it most interesting just how close you were to how I feel life is at present and over a telephone. It is the first time I have ever had a telephone reading and found it most amazing. I also felt very comfortable and somehow as if the reading was something I was meant to do*

**Suzannah April 18 2010**

*I do not know how to thank you.*

*I trust you as you are accurate and genuine.*

*You are an angel.*

**Sandra April 14 2010**

*Thank you very much for your email reading,*

*it has been been strangely accurate;*

*You tell me that my dog`s head turns sideways and then he looks you straight in the eyes, it was exactly the way he did look at me, because in general he ignored other people,*

*You were correct when you told me that \*\*\*\*\* did have kidney failure in the end, and on his last day on earth he was very dizzy and could hardly walk anymore, he even got lost because he tried to drink from a little pond with fish in my garden, but didn`t know where he was...*

*his body was cremated together with his favourite blanket,*

*you mentioned another dog which was his companion in his life with me; she was a little white one with brownish specks, \*\*\*\*\* her name was, and to my sorrow she passed away*

*2 months ago, i am very happy they are obviously together now*

*the little poem you attached about the Rainbow, represents very much the connection i had with \*\*\*\*\* ,it says it all,*

*As you said, there is a new dog in my life who \*\*\*\*\* never met, together with a dog he did live with, and indeed the new one needs a lot of attention and care, his young life he lived in the streets but is now for ever safe with me...*

*Thank you again for the accuracy of your reading, i am very happy to know he is happy and healthy and that he knows i loved him in a very special way,*

*The special thing that you mentioned that we did indeed do in the early evening we would always go for a walk on the beach with the sunset, so it was like the highlight of the day, because he always loved that time during the day and me too.*

*As well up to his second birthday he loved sleeping with his back pressed against me, like a little baby, then he thought himself too mature for that...*

**Rachael Animal email April 12 2010**

*I would sincerely like to thank you for your time and a wonderful reading.*

*You have given me such hope.*

*I feel that you are a very genuine and warm person.*

**Mark March 29 2010**

*Dear Victoria Thank you very much for the reading, yes I have found it very insightful, and truthfully parts hard to read without a tear falling from my eye. You are very right about all, and yes your world has made me very anxious, but somehow, with you I feel an ease and not so anxious of the spirits around me. I would be keen to explore this slowly.*

*You are amazing for sharing your gift to help people.*

**Sylvia Email Reading March 20 2010**

*Thank you, Victoria, for your natural warmth and compassion and your remarkable divine intelligence. Your revelations are remarkable and validated. I would recommend you to anyone, as it is like an immersion into a profound, genuine reading, unlike readings that I have had before.*

*Thank you for never tiring to answer questions and for being there.*

**Kay March 03 2010**

*Victoria, I have just had to write to update you on our reading.  
The money that you predicted that I would receive in the first week of February did indeed arrive as you said it would.  
Regarding the timing on a communication that I would receive at 13.30, the person actually made contact at 13.38-(just 8 minutes out)  
I cannot believe your accuracy regarding this and your other predictions.  
You truly are a gifted lady.*

**Sharon 8th February 2010**

*Hi Victoria, I am absolutely stunned by your Email reading! It is so very accurate. The name Susan does mean 'a lily'. What you have said about \*\*\*\*\* is what I suspected, - as you said my intuition has always told me we are soulmates, and meant to be together, and yes, the relationship has been growing for more than 10 years as you said. I have known him since I was about 18. I was hoping you would say that, now I just have to be patient and wait for it to happen!  
Ian is someone who is a friend in my life, and yes, he and \*\*\*\*\* have very different personalities, as you said.  
I look forward to the month of March, when you say things will begin to change.  
I will definitely come back for a further reading in the future.  
Thank you so much.  
Love and Light*
